Word Attack

Adolescents

I'm not paranoid
Don't
No, I'm not afraid
Stop
But I sometimes wonder
Fight
What is on your mind
BackI'm not paranoid
They
No, I'm not afraid
Won't
But I sometimes wonder
Win
What is on your mindThe gun in your hand is the gun at my head
The gun in your hand is the gun at my head
The gun in your hand is the gun at my head
The gun in your hand is gonna kill me deadWe'll attack, we'll attack
We'll attack, we'll attack
We'll attack, we'll attack
We'll attack, we'll attackRunning into walls
Don't
Say good things
Stop
Say bad things
Fight
Unpredictable
BackSay good things
They
Say bad things
Won't
Unpredictable
Win
[Incomprehensible]The gun in your hand is the gun at my head
The gun in your hand is the gun at my head
The gun in your hand is the gun at my head
The gun in your hand is gonna kill me deadWe'll attack, we'll attack
We'll attack, we'll attack
We'll attack, we'll attack
We'll attack, we'll attackDo you wanna die?

No
Do you wanna die?
No
Do you wanna die?

Do you wanna die?
NoDo you wanna die?

Do you wanna die?
No
Do you wanna die?

I don't wanna dieThe gun in your hand is the gun at my head
The gun in your hand is the gun at my head
The gun in your hand is the gun at my head
The gun in your hand is gonna kill me deadWe'll attack, we'll attack
We'll attack, we'll attack
We'll attack, we'll attack
We'll attack, we'll attackWe'll attack, we'll attack
We'll attack, we'll attack
