

When The Sun Sleeps

Underoath

I thought you'd come back, at least I prayed
So I prayed
The romance has been dead
Romance is dead, the romance is dead
For years You come back
But I've been too afraid to dig the grave
So I prayed
Relief support never came Memories carry me
Through the day
Of when we were kids
And angels came to watch us play Close my eyes just for tonight
The sun still sleeps and when she wakes
Close my eyes just for tonight
The sun still sleeps and when she wakes A movie that plays in my mind
Remembering you helps me survive
Every day a re-run of the next, I promised to stay by your side
That all would change, I can't complain, another victim of the game Close my eyes just for tonight
The sun still sleeps and when she wakes
Close my eyes just for tonight
The sun still sleeps and when she wakes Maybe love
Will find us again
For there is always tomorrow
Sincerely till the end Close my eyes just for tonight
The sun still sleeps and when she wakes
Close my eyes just for tonight
Sun still sleeps and when she wakes Close my eyes just for tonight
The sun still sleeps, and when she wakes
Close my eyes just for tonight
The sun still sleeps and when she wakes You'll be a memory, be a memory
You'll be a memory, be a memory
You'll be a memory, be a memory
You'll be a memory, be a memory, memory
