

I Am One

Smashing Pumpkins

I am one as you are three
Try to find a messiah in your trinity
Your city to burn
Your city to burn Try to look for something
In your city to burn, you'll burn Am I as I seem?
I'm down
Down, so down Time is right for a guiding light
Try to turn to reasons in your bitter life
Your city to burn
Your city to burn Try to look for something
In your city to burn, you'll burn See you, don't you just want to?
See you, I am one
See you, don't you just want to?
See you See you, don't you just want to?
See you, I am one
See you, don't you just want to?
See you, I am one
