

Beverly Hillbillies

[John Valby](#)

cmon, listen to a story 'bout a man named Jed,
a poor mountaineer barley kept his family fed,
and then one day he was shooting at some food,
and up through the ground come a bubbling crude,
oil that is,
black gold,
Texas tea.

Well the first thing you know ol' Jed's a millionaire,
the Kin folks say Jed moved away from there,
said California is the place ya' oughta' be,
so they loaded up the truck and moved to Beverly,
Hills that is,
swimming pools and movie stars.
