

Underwolf

reverse dotty

I got alotta hair back there
I'm the underwear wool
comin' out to tear full holes in your neck and your back in the black of the night
when it's dark need a light, when its hot need a spriteyou never knew you screwed up til you got chewed up by
a set of claws from a drugged up dog
you were out for a night jog in the night fog eatin ants on a log with a with a mug a mug a egg nog and rum and
i had to have some
yum!nobody out after midnight didn't quite sit right did it?
eat, dig, bite: doggie style all nite
you were but a man when i hit it
i go straight to the end to begin it
now your body is a wolf when I'm in it
