Never Say Never Again

K-ci & Jojo

I got something to tell y'all today
Some of y'all might not like it
But then again, somebody out there might just will
Let me take my time to tell you, baby
I feel good about telling you all of this
Can I get a witness? Yeah, yeah, yeah, yeah, yeah
Ever since I was a baby boy
I played with ladies like my toys
Always said, I'd never fall in love
Don't wanna care about a woman that much
Never thought I would find a girl
Who would change my attitude
Now my heart doesn't care
What I had on my mind
As fast it would've to come to you
Baby, you're the reason why
I won't never say never again
I won't never say never again
I won't never say never
'Cause lovin' you, baby
Has taught me a lesson
No, I won't never say never again
Ooh, you got me going deeper
And deeper and deeper and deeper
I just wanna get a little deeper with you baby, oh
Don't stop, let's go all the way, let's go all the way
I wanna get a little deeper inside of you
I wanna show you that it's real
Baby, how I feel, I can't get you out of my mind
I won't never say never again
I won't never say never again
I won't never say never
'Cause lovin' you, baby
Has taught me a lesson
No, I won't never say never again
Never, never, never
Never say never again
Never, never, can I get a witness
Baby, I'm so into you

And I don't know what I'm gonna do
If I don't have you in my life
I won't never say never again
I won't never say never again
I should never say never
'Cause lovin' you, baby
Has taught me a lesson
No, I won't never say never again
My mama told me, she said
"K-Ci, a lady should always be your precious gift"
But I didn't listen to mama, I didn't listen to mama
I won't never say never
'Cause lovin' you, baby
Has taught me a lesson
No, I won't never say never again
Ooh baby, ooh baby
Out of all the things that I've done to you
I'm so sorry, baby, oh yeah
Never, never, never
Will I say never again, ooh babe
