Flashback (feat. Tyler Adam)

Calvin Harris

I'm coming round and now my vision is so clear
If I could change my state of mind, then I would disappear
The love I get from you is something I can't chance
And I could let you slip away, without a second glanceWhy can't I realize I'm fighting for my life?
Woaaaah, Woaaaah!
Why can't I realize I'm fighting for my life?
Woaaaah, Woaaaah!This is like a flashback
This is like a dream
This is like all the things you can fit inside a memory x2This is like a flashback
Flashback
This is like a flashback
FlashbackWhy can't I realize I'm fighting for my life?
Woaaaah, Woaaaah!
Why can't I realize I'm fighting for my life?
Woaaaah, Woaaaah!This is like a flashback
This is like a dream
This is like all the things you can fit inside a memory x2
