

# The Beach

## Sounds From The Burj Al Arab

Well, you're a long walk from my street  
And I'm dying in this summer heat  
I hope like hell you're waiting, waiting  
Everybody's living like they're crazy in love  
I'm a dizzy mess and everything is so above me  
From the floor I found a life I lead today  
Well, they can take, take, take the kids from the summer  
But they'll never, never, never take the summer from me  
It was the very first time that I lost my mind for a week  
They can make, make, make me forget the weather  
If they'll never, never, never wash the sand from my feet  
It was the very last time that we said goodbye to the beach  
(Showing off, showing off our teeth)  
So make one last call back home  
'Cause tonight we go it alone  
And I hope that you know I'm waiting, waiting  
(Summer, do you feel me?)  
Everybody's singing like they're crazy in love  
We made a dizzy mess of everything and it was enough  
So bring all the boys and all the girls together  
Well, they can take, take, take the kids from the summer  
  
But they'll never, never, never take the summer from me  
It was the very first time that I lost my mind for a week  
They can make, make, make me forget the weather  
If they'll never, never, never wash the sand from my feet  
It was the very last time that we said goodbye to the beach  
(Showing off, showing off our teeth)  
You're going out in style and I'm getting tired of  
Summer, do you feel me? Listen, can you hear it?  
(All your lying stop pretending, stop)  
Cave in and believe me, open up and scream it  
The answer's in the smile and I'm coming clean just  
Summer, do you feel me? Listen, can you hear it?  
(Give me something, stop pretending)  
Cave in and believe me, open up and scream it  
Well, they can take, take, take the kids from the summer  
But they'll never, never, never take the summer from me  
It was the very first time that I lost my mind for a week

They can make, make, make me forget the weather  
If we'll never, never, never wash the sand from my feet  
It was the very last time that we said goodbye to the beach  
(Showing off, showing off our teeth)
