

# If It's Love

## Train

While everybody else is getting out of bed, I'm usually getting in it  
I'm not in it to win it and there's a thousand ways you can skin it  
My feet have been on the floor, flat like an idol singer  
Remember winger, I got dress, I confess you are the best thing in my life  
But I'm afraid when I hear stories 'bout a husband and wife  
There's no happy endings, no Henry Lee, but you are the greatest thing about me  
If it's love And we decide that it's forever, no one else could do it better  
If it's love  
And we're two birds of a feather then the rest is just whatever  
And if I'm addicted to loving you and you're addicted to my love too  
We can be them two birds of a feather that flock together  
Love, love, got to have something to keep us together  
Love, love, that's enough for me  
Took a loan on a house I own, can't be a queen bee without a bee-throne  
I wanna buy you everything except cologne 'cause it's poison  
We can travel to Spain where the rain falls mainly on the plain side and sing  
'Cause it is we can laugh, we can sing, have ten kids and give them everything  
Hold our cell phones up in the air and just be glad that we made it here alive  
On a spinning ball in the middle of space, I love you from your toes to your face  
If it's love And we decide that it's forever, no one else could do it better  
If it's love  
And we're two birds of a feather then the rest is just whatever  
And if I'm addicted to loving you and you're addicted to my love too  
We can be them two birds of a feather that flock together  
Love, love, got to have something to keep us together  
Love, love, that's enough for me  
You can move in, I won't ask where you've been  
'Cause everybody has a past  
When we're older we'll do it all over  
Again  
While everybody else is getting out of bed, I'm usually getting in it  
I'm not in it to win it, I'm in it for you  
If it's love And we're two birds of a feather, then the rest is just whatever  
Then the rest is just whatever  
If it's love and we decide that it's forever, no one else could do it better  
And if I'm addicted to loving you and you're addicted to my love too  
We can be them two birds of a feather that flock together  
Love, love, got to have something to keep us together  
Love, love, got to have something to keep us together  
Love, love, that's enough for me
