

# Orange Colored Sky

## Beegie Adair

I was walking along minding my business  
when love came and hit me in the eye  
now out of the blue my dreams come true  
when they ask I'll tell them why

I was walking along minding my business  
when out of an orange colored sky

Flash,bang,alakazam

wonderful you came by

I was humming a tune  
drinking in sunshine

when out of an orange colored view

Wham,baam,alakazam

I got a look at you

One look and I yell timper

watch out for flying glass

Cauz the ceiling fell in and the bottom fell out

I went into a spin and i started to shout

I've been hit,this is it,this is it

I was walking along minding my business

when love came and hit me in the eye

Flash,baam,alakazam

out of an orange colored sky

One look and i yell timber

watch out for flying glass

Cauz the ceiling fell in and the bottom fell out

I went into a spin and i started to shout

this is it,this is it,I've been hit
