

# O Holy Night

[Sheryl Crow](#)

It came upon the midnight clear  
That glorious song of all  
From angels bending near the earth  
To touch their hearts of goldPeace on earth, good will to men  
From heaven's all glorious King  
The world in solemn stillness lay  
To hear the angels singOh holy night, the stars are brightly shining  
It is the night of our dear Savior's birth  
Long lay the world in sin and error pining  
Till He appeared and the soul felt its worthA thrill of hope, the weary world rejoices  
For yonder breaks a new and glorious morn  
Fall on your knees, oh hear, oh the angel voices  
Oh night divine, oh night when Christ was born  
Oh night divine, oh night divine
