

# Get Me Out Of Here

**Jon Mesek**

I am serious  
I don't play around  
This is your lucky day  
I am dangerousDon't wanna stay so I'll leave with you  
Had a thought in my mind of a game for two  
Do you know what I want, do you want it too  
Tell me yeah yeah yeah yeah[Chorus :]  
    Oh my god, get me out of here  
    Take me now, take me anywhere  
    Away from everyone I don't care  
Oh my god get me out of hereI'm mysterious  
    Time is precious  
    What are you waiting for?  
I'm dead seriousYou don't have anything to lose  
Understand what you got, and I'll let you choose  
'Cause I know what you want and I want it too  
Tell me yeah yeah yeah[Chorus 2X]Yeah yeah yeah  
    Yeah yeah yeahOh my god, get me out of here  
    Take me now take me anywhere  
    Away from all that I used to be  
The same old story the same old me[Chorus]
