Multi-color clarity  
My necklaces are heavy mane  
Hit the club then leave the club  
Then come come back with another chain  
Mighty mouse is icy dog  
Bart Simpsons just stoopid  
Yellow blue black green and white  
The diamonds match the groupies  
Digitally enhance the stones  
Pinky's like a movie  
Truly I'm a walking lick  
Gucci mane the talkin'g brick  
If you ain't gonna talk no chickens  
Dog who you talkin' two  
7:thirty in the kitchen

Saturday I'm cookin chickens mama bout to go to work  
Sunday Gucci cookin chickens  
Granny bout to go to churchHeavy rist activity(Work)  
Got me livin lovely

Cocaina-heavenly  
Cocaina-shawty  
Breakin' down ten chickens dog  
Bout to cook the shake up  
All these extra grams might as well go buy a Jacob  
Gucci mane for mayor  
Gucci mane so player  
Reppin' east Atlanta that's ten minutes from Decatur  
Almost match our cars  
And our belts gon match our gators  
You can't swag like Gucci  
'Cause you don't got enough flavor  
Heavy on the licorice  
Industry ridiculous  
Bitches I'm magnificent  
I'm not very articulate Gucci watz the penalty shawty wants the business  
Every night is valentines  
And every day is Christmas  
And every day is Christmas Gucci watz the penalty shawty wants the business  
Every night is valentines  
And every day is Christmas  
And every day is Christmas My girlfriend say she love me  
But itz just the jewelry  
Multi-color karatz got ya girlfriend kinda curious  
First I drop my verse  
And then I go and drop the chorus  
Then I'm out the booth  
Back to the trap you know I'm mournin'  
Trapped before we started  
Zaytoven record it  
Zay you chargin' thirty like the Gucci can't afford it  
Gucci charging forty dog that's a couple birdies  
Gucci stoopid jewelry dog I don't think you heard it Gucci watz the penalty shawty wants the business  
Every night is valentines  
And every day is Christmas  
And every day is Christmas Gucci watz the penalty shawty wants the business  
Every night is valentines  
And every day is Christmas  
And every day is Christmas
