All the King's Men

The Rigs

When all the King's men and all their horses
Can't find a way to, a way to save you.

I've been chasing windmills for as long as I have been.
Found my Dolcinea, but I don't remember when.

So I will be your hero when that love comes to an end.

Somehow you lost your wonder in your quest to feel alive.
Slayed your hope, but didn't let yourself know it had died.

Thought growing up meant you had to go and kill the child, inside.

So, wake, wake, wake up child.
Wake, wake, wake up child.
Wake, wake, wake up.

When all the King's men and all their horses
Can't find a way to, a way to save you.

When all the days end, remember me then,
It's not too late to, too late to save you.

Remember when the darkness wasn't all you had to see?
Remember when a part of you still hoped for what could be?

Well, I've got this suit of armour and a sword I need to swing.

Wake, wake, wake up child.
Wake, wake, wake up.

When all the King's men and all their horses
Can't find a way to, a way to save you.

When all the days end, remember me then,
It's not too late to, too late to save you.

Wake, wake, wake up child.
Wake, wake, wake up child.
Wake, wake, wake up.

Wake, wake, wake up child.
Wake, wake, wake up child.
Wake, wake, wake up.
Wake, wake, wake up child.
Wake, wake, wake up child.
Wake, wake, wake up, child.

When all the King's men and all their horses
Can't find a way to, a way to save you.

When all the days end, remember me then,
It's not too late to, too late to save you.

Wake, wake, wake up child.
Wake, wake, wake up child.
Wake, wake, wake up.
