Sedative

Babyshambles

Sedative

Sedative

Was my hero

Oh, it wasWhat's it really like now
It's been a long, long time since I've step outside
To the morning sun now

Would you take me out now? Take me by the hand now It's been a long, long time since I've step outside

To the morning sunSedative

Sedative

Was my hero

And I had a hit[Incomprehensible]Sedative

It was my hero

And I had a hit on itWhat's it really like now It's been a long, long time since I've step outside

To the morning sun now

Would you take me out now? And I crawl along now

It's been a long, long time since I've step outside

To the morning sunMy faith in you

[Incomprehensible]

Yes, I got faith in youWhat's it really like now It's been a long, long time since I've step outside

To the morning sun now

Would you take me out? And I crawl along now It's been a long, long time since I've step outside

To the morning sunMy faith in you

Faith in you

My faith in you
