

Wappen Beggars

Pity Sex

There's a beggar inside me.
Little man with little dreams.
There's a beggar inside me.
Hypomaniac beauty queen.
There's a beggar inside me.
Watch him pout, watch him scream.
Your eyes are on me.
Your eyes are on me now.
Give me twice as much of you.
Give me twice as much of everything.
Silken love.
Satin getaway.
Don't we look good?
Don't we feel great?
Silken love, hanging over me.
You wear me smooth.
Soft smothering.
When I feel good don't you feel good?
If you fall asleep in my hand, bless your pretty soul.
It's a thousand sighs 'til morning comes.
If you stay with me all weekend, bless your pretty soul.
It's too long a time to be alone.
Silken love.
Satin getaway.
Don't we look good.
Don't we feel great.
Silken love, hanging over me.
You wear me smooth.
Soft smothering.
There's a beggar inside me.
A little man with little dreams.
There's a beggar inside me.
Hypomaniac beauty queen.
There's a beggar inside me.
Watch him pout.
Watch him scream.
