I Shoulda Kissed U

Ryan Cabrera

I tried to forget
I'm sick of regret
I cant please them all
The winter you left we sat on the step
The scene it repeats in my head

Ill leave the light on for you
I didn't know how much you brought into my life

I shoulda kissed you
I shoulda touched you
I shoulda told you everything
All we could be
And I cant let it go
I shoulda kissed you

Deep down I know
How it should go
So I leave a little troffle of hope
But reality is rainin' on me
And of course I've forgotten my coat

I turn the world to see you
Do you know how much you brought into my life

I shoulda kissed you
I shoulda touched you
I shoulda told you everything
All we could be
And I cant let it go
I shoulda kissed you

I shoulda touched you
I shoulda told you everything
All we could be
And I cant let it go

Na na na
Na na na
Na na na

Na na na
Na na na
Na na na
Na na na
Na na na

I shoulda kissed you
I shoulda told you

I shoulda kissed you
I shoulda touched you
I shoulda told you everything
All we could be
And I cant let it go
I shoulda kissed you

Yeah

I shoulda told you everything
All we could be
And I cant let you go

I shoulda kissed you
