In His Hands

Jumbo Aniebiet

Some trust in chariot
And some in horses
But as for me and my house
We will trust in Jesus
Oh sweet Jesus
My life is in his hands

Some trust in riches
And some in powers
But as for me and my house
We will trust in Jesus
Oh sweet Jesus
My life is in his hands

Some call on people
In times of trouble
But as for me and my house
We will call on Jesus
My life is his hands

Some bow before me
That cannot save them
But as for me as for you and your house
Please bow to Jesus
Oh sweet Jesus
Because everything is in his hands

We lift our hands to you(we lift our hands to you)
And raise this song to you
You are my everything
