

Living In Sin

Michael Heart

We can't keep this up for long
You know, you & I
We both know that this is wrong
And I think, it's time, for you to take a stand now
That there's no easy way out
But still you've got to choose, what you're gonna do

Baby please make up your mind
'Cause we're running out of lies
When he asks you where you've been
What you're gonna say then
'Cause we just can't go on living in sin

Ever since this all began
I feared.. the day
That we end up in this jam
But now. i know there's just no other way
We gotta face the music
We gotta get right through it
It's time to end this game, that we can never win

Baby please make up your mind
'Cause we're running out of lies
When he asks you where you've been
What you're gonna say then
'Cause we just can't go on living in sin

I don't wanna lose you now
You know, it's killing me inside
Someway, i don't know how
I gotta make you mine

Is it me or is it him
What it's gonna be

Please make up your mind
'Cause we're running out of lies
When he asks you where you've been
What you're gonna say than?

'Cause we just can't go on living in sin

So please make up your mind

I really think it's time

'Cause i don't wanna live in sin, no..

It's time to end this game that we can't win

Living in sin yeah

Living in sin yeah

So what she's gonna do?

Tell me
