One More Time

Jill Barber

One more time
Before you go
Kiss me one more time
So I will know
That you are mine
And that you love me so
So kiss me
One more timeOne more time
Before you leave
Hold me one more time
Darling, if you please
Your love leaves me weak in the knees
So hold me
One more time
And I let go
And you are gone
Still my heart holds onOne more time
Before you go away
Tell me one more time
Why you can't just stay
Because if I could
I would keep you here all day
Just say it
One more timeBecause you are mineDarling, one more time
If you don't mind
Just before you go away
Won't you kiss me
One more time
