Splendid Isolation

Pete Yorn

I want to live alone in the desert
I want to be like Georgia O'Keefe
I want to live on the Upper East Side
And never go down in the street
Michael Jackson in Disneyland
Don't have to share it with nobody else
Lock the gates, Goofy, take my hand
And lead me through the world of self
Splendid isolation
I don't need no one

Splendid isolationDon't want to wake up with on one beside me Don't want to take up with nobody new

Don't want nobody coming by without calling first Don't want nothing to do with youI'm putting tinfoil up on the windows

Lying down in the dark to dream I don't want to see their faces

I don't want to hear them scream

Splendid isolation

I don't need no one

Splendid isolation

Splendid isolation

I don't need no one

Splendid isolationDon't want to wake up with no one beside me
Don't want to take up with nobody new
Don't want nobody coming by without calling first
Don't want nothing to do with you
