## Esben and the Witch

I found ? the fingers start to twitch  
The blood is set in commotion  
The feet start to beat strange? on the street  
Won't floods falls  
The devils dive inside their minds  
Everyone's a ?The night on ? slide, ? tragic display  
Silence ? and deserve, ? silence  
? inspiration, seduction ? emotion, ?I just sing to this allergy, ? rapidly  
The ? terrible ?I will watch them dance them souls to death  
I will watch them dance them souls to death  
I will watch them dance them souls to death  
I will watch them dance them souls to death  
I will watch them dance them souls to death  
I will watch them dance them souls to death.
