

# What a Wonderful World

## Joey Ramone

I see trees of green, red roses too  
I see them bloom for me and you  
And I say to myself  
What wonderful worldI see skies of blue and clouds of white  
Bright sunny days, dark sacred nights  
And I think to myself  
What a wonderful worldThe colors of the rainbow are so pretty in the skies  
Are also on the faces of people walking by  
I see friends shaking hands saying  
How do you do?  
They're really saying  
I love youI see babies cry, I watch them grow  
They'll learn much more than I'll ever know  
And I think to myself  
What a wonderful world  
Yes, I think to myself  
What a wonderful worldAnd I say to myself  
What a wonderful world
