

Temptation

Prince

Sex

Temptation

Lust

Pop go mama Everybody on this earth has got a vice
And mine, little darlin', mine is the opposite of ice
Mine is the running hot water of the daughter of morality
In other words, this little prince thinks a lot about you, see?

Baby, baby, baby

I'm guilty in the first degree Temptation

Working my body with a hot flash of animal lust

Temptation

All my fingers in the pool go splash we must Everybody in this room

Everybody in this room has got an urge

What's yours, baby?

Mine is temptation, it reigns at a party where lovers splurge

Pop go mama when daddy gets a little to much

You know what I'm talkin' 'bout?

Purple electricity whenever our bodies touch

Ooh baby, I love it when our bodies touch Temptation

Working my body with a hot flash of animal lust

Temptation

All my fingers in the pool go splash we must Temptation, temptation, temptation Wait a minute now Temptation

Working my body with a hot flash of animal lust

Temptation

All my fingers in the pool go splash we must Temptation

Working my body, working my body, working my body Temptation

I'm not talkin' about just ordinary temptation, people

I'm talking about the kind of temptation that'll make you do things

Oh, oh, temptation

Oh, darling, I can almost taste the wetness between your

Temptation, temptation

I'm not talking about any ol' kind of temptation, people, I'm talkin'

About, I'm talkin' about, sexual temptation

A lover

I need a lover, a lover, I need a, right now

You, I want you

I want you in the worst way

I want you Oh, silly man, that's not how it works

You have to want her for the right reasons

I do!"You don't, now die!"No! No!Let me go, let me goI'm sorry

I'll be good

This time I promise

Love is more important than sex

Now I understand

I have to go now

I don't know when I'll return

Good-bye
