

# I Will Be Loving You

Jesse Powell

Darlin', oh my darlin'  
There's something that you should know  
That is I love you  
And all the things that you stand for  
Lady, oh my lady  
I don't ever want you to go  
Because I need you  
To be with me forever more  
And you should know  
That our love, love will grow  
Oh it pleases me just to say  
That we will forever be one  
Oh baby and I will be loving you I will be there for you  
And I'll care for you for as long as you are mine  
Baby I will be loving you I will be there for you  
And I'll swear to you till the end of all time  
Sweety, oh my sweetie  
You know that you turn me on  
And as we lay here  
I'll keep you safe, I'll keep you warm  
Sugar, oh my sugar  
You know you're the one for me  
You are my everything  
I'll love you till eternity  
That's how long we'll keep  
Keep love strong  
Oh it pleases me just to say  
That we'll, we'll go on and on and on and on and on  
Baby I will be loving you, I will be there for you  
And I'll care for you for as long as you are mine  
Baby I will be loving you, I will be there for you  
And I'll swear to you till the end of all time  
There's no one that cares more about you  
There's no one who loves you more  
There's no man that would go the limit  
Girl your love is worth dyin' for, yeah  
There's no way I could live without you  
Girl you know I'd go out of my mind  
[Incomprehensible]To say that you'll always be mine

Baby I will be loving you, oh I will be there for you  
And I'll care for you for as long as you are mine, mine  
Baby oh baby, oh baby I will be loving you, yes I will  
I will be there for you and I'll swear to you till the end of all time  
Say I'll never mistreat you my darlin'  
No I'll never mistreat you my girl  
I'd give anythin' and everythin' if you would bring  
All your lovin' inside my world  
I just can't live without you baby  
Girl you know it would drive me insane  
I'd be a lonely man, a crazy man, a better man  
Girl my life would never be the same  
Baby I will be loving you, yes I will, I will be there for you  
And I'll care for you for as long as you are mine  
Baby I will be loving you, I will be there for you  
And I'll swear to you, end of all time  
I will be loving you, I will be there for you  
And I'll care for you long as you are mine  
I will be loving you, I will be there for you  
And I'll swear to you, end of all time
