

# Blackbird

## Dionne Farris

Written by John Lennon and Paul McCartney)

    Blackbird singing in the dead of night

    Take these broken wings and learn to fly

    All your life you were only waiting for this moment to arise

    Blackbird singing in the dead of night

    Take these sunken eyes and learn to see

    All your life you were only waiting for this moment to be free

        Blackbird fly

        Blackbird fly

        Into the light of a dark black night
