

# Balloon

## The Pop Ups

My daddy bought me a balloon the reddest you've ever seen  
We went into the zoo and then a monkey waved at me  
I did what I had to do, I waved back at him  
I opened my hand to wave, and I lost it I lost my red balloon it went up in the sky  
I watched my red balloon and I began to cry The next day in the park I got a green balloon  
It was a joy to see but it ended way too soon  
My friend threw a ball to me, I did what I had to do  
I opened my hand what else could I do  
I caught the ball, and I Lost my green balloon I lost my green balloon it went up in the sky  
I watched my green balloon so pretty as it flies The next day we took a drive out to the ocean side  
We smelled the fresh sea breeze with the windows open wide  
I got a blue balloon and we played in the sand  
In came a great big wave and I opened up my hand.. I lost my blue balloon it went up in the sky  
I watched my blue balloon and I began to cry Red balloon red balloon where have you gone? Flying away you  
left me all alone.  
I want to go to the sky with you. I feel so sad what can I do  
Green balloon green balloon you were my friend why do you have to go away from the land  
Blue balloon blue balloon what did I do, I just want to go to the sky with you The next day I was so sad. Dad  
said here now come with me  
He took me to a great big field  
You'll never believe what greeted me!  
The biggest balloon in the whole wide world! With a basket hanging down  
We climbed inside and flew away. So far above the ground! With my balloon  
Flying in the sky  
Waving to the birds  
Hey now watch me fly..
