

# You Shook Me All Night Long

## The Lost Fingers

She was a fast machine she kept her motor clean  
was the best damn woman that I ever seen  
she had the sightless eyes telling me no lies  
knocking me out with those American thighs  
taking more than her share  
had me fighting for air  
she told me to come but I was already there  
the walls start shaking  
earth was quaking  
my mind was aching  
we were making it  
and you shook me all night long  
yeah you shook me all night long  
working double time on the seduction line  
she's one of a kind she's just mine all mine  
wanted no applause it's just another course  
made a meal outta me  
and come back for more  
had to cool me down to take another round  
back in the ring to take another swing  
the walls start shaking earth was quaking  
my mind was aching  
we were making it  
and you shook me all night long  
yeah you shook me all night long  
you got me goin'  
shook me all night long  
you had me shaking and you  
shook me all night long  
yeah you shook me  
baby you took me  
you shook me all night long  
yeah, you shook me all night long  
you really got me  
and you shook me all night long  
you got me goin'  
and you shook me all night long  
yeah you shook me  
then you took me

all night long
