

Everytime

A1

Lately, I'm not who I used to be
Someone's come and taken me
 Where I don't wanna go
 If I knew
 Exactly what I have to do
 In order to be there for you
When you were feeling low And all the things we ever wanted
 Were once yours and mine Now I know we can revive it
 All the love we left...Everytime I kiss
 I feel your lips
 And everytime I cry
 I see you smile
 And everytime I close my eyes
 I realise
 That everytime I hold
 your hand in mine The sweetest thing my heart
could ever find And I have never felt this way Since the day
 I gave your love away Save me
 I've fallen from my destiny
 You and I were meant to be
 I've thrown it all away
Now you're gone It's time for me to carry on But baby I just can't go on
 Without you by my side And all the things we ever wanted
 Were once yours and mine
 Now I know we can revive it
 All the love we left...Everytime I kiss
 I feel your lips
 And everytime I cry
 I see you smile
 And everytime I close my eyes
 I realise
 That everytime I hold
 your hand in mine The sweetest thing my heart
could ever find
 And I have never felt this way
 Since the day
 I gave your love away
 We can survive it

all the pain we feel inside
You relied on me
And now I've let you down
Now I promise you forever
I will be the best I can
Now I know we can revive it
All the love we left...
Everytime I kiss
I feel your lips
And everytime I cry
I see you smile
And everytime I close my eyes
I realise
That everytime I hold
your hand in mine
The sweetest thing my heart
could ever find
And I have never felt this way
Since I gave your love away
Everytime I kiss
I feel your lips
And everytime I cry
I see you smile
And everytime I close my eyes
I realise
That everytime I hold
your hand in mine
The sweetest thing my heart
could ever find
And I have never felt this way
Since the day
I gave your love away
