Revenge

Brownstone

Played your games for the very last time with me
And very soon you'll see, I'm gonna get my revenge
Boy, this is the last time that you'll ever mess with me
I got a new strategy and I'm gonna get my revengeI never thought I'd see what I saw last night
Holding some other girl tight with your hands on her thighs
Defended you against friends who knew that you were doing wrong
That you getting your swerve on, how'd you carry onAnd now about your deception, I have learned
Boy, you've got this sister here an' now watch me burnPlayed your games for the very last time with me
And very soon you'll see, I'm gonna get my revenge
Boy, this is the last time that you'll ever mess with me
I got a new strategy and I'm gonna get my revengeDay and night, I sit around missing you
But all you did was told me lies, lies to just get by
I could've been a bitch walking around with an attitude
But you were the one that's so rude, tell me what I'm gonna doAnd now about your deception, I have learned
Boy, you've got this sister here, now watch me burnPlayed your games for the very last time with me
And very soon you'll see, I'm gonna get my revenge
Boy, this is the last time that you'll ever mess with me
I got a new strategy and I'm gonna get my revengePlayed your games for the very last time with me
And very soon you'll see, I'm gonna get my revenge
Boy, this is the last time that you'll ever mess with me
I got a new strategy and I'm gonna get my revengeNow deception, I have learned
Boy, you got this sister here, now watch me burn
Boy, you've played your games
Oh, no, this gotta be the last timeAnd I'm gonna get my revenge
I said, I'm gonna get my revenge
You've played your games for the last time
'Cause this sister, boy, so watch me burnPlayed your games for the very last time with me
And very soon you'll see, I'm gonna get my revenge
Boy, this is the last time that you'll ever mess with me
I got a new strategy and I'm gonna get my revengeBoy, you've played your games with me this time
But I'm gonna get my revenge
Boy, you've played your games with me this time
And I know this is the lastPlayed your games for the very last time with me
And very soon you'll see, I'm gonna get my revenge
Boy, this is the last time that you'll ever mess with me
