Don't Talk To Strangers

Sonny

Don't talk to strangers
Cause they're only there to do you harm
Don't write in starlight
'Cause the words may come out real
Don't hide in doorways
You may find the key that opens up your soul
Don't go to Heaven cause it's really only Hell
Don't smell the flowers
They're an evil drug to make you loose your mind
Don't dream of women
'Cause they'll only bring you down
Hey you, you know me, you've touched me, I'm real
I'm forever the one that lets you look and see and
Feel me I'm danger, I'm the stranger
And I, I'm darkness, I'm anger, I'm pain
I am master, the evil song you sing inside your brain

Drive you insane
Don't talk, don't let 'em inside your mind
Run away, run away, girl
No, no, no don't let them in your mind
Protect your soul
Don't dance in darkness
You may stumble and you're sure to fall
Don't write in starlight
'Cause the words may come out real
Don't talk to strangers
'Cause they're only there to make you sad
Don't dream of women
'Cause they'll only bring you down
