

# Hallelujah, I Love Her So

Ray Charles

Let me tell you 'bout a girl I know  
She is my baby, and he she lives next door  
Every morning 'fore the sun comes up  
She brings my coffee in my favourite cup That's why I know, yes, I know  
Hallelujah, I just love her so  
When I'm in trouble and I have no friends  
I know she'll go with me until the end Everybody asks me, "How I know?"  
I smile at them and say she told me so  
That's why I know, oh, I know  
Hallelujah, I just love her so Now if I call her on the telephone  
And tell her that I'm all alone  
By the time I count from one to four  
I hear her on my door In the evening when the sun goes down  
When there is nobody else around  
She kisses me and she hold me tight  
And tell me, "Daddy everything's all right"  
That's why I know, yes, I know  
Hallelujah, I just love her so Now if I call her on the telephone  
And tell her that I'm all alone  
By the time I count from one to four  
I hear her on my door In the evening when the sun goes down  
When there is nobody else around  
She kisses me and she hold me tight  
And tell me, "Daddy everything's all right"  
That's why I know, yes, I know  
Hallelujah, I just love her so Oh, Hallelujah don't you know  
I just love her so  
She is my little woman  
Way all down  
Baby
