

What's Love Got To Do With It

Warren G

You must understand how the touch of your hand makes my pulse react
That it's only the thrill of boy meeting girl, opposites attract
It's physical, only logical
You must try to ignore that it means more than that
What's love got to do, got to do with it
What's love but a second hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken?
It may seem to you that I'm acting confused, when you're close to me
If I tend to look dazed I read it someplace, I've got cause to be
There's a name for it, and there's a phrase that fits
But whatever the reason you do it for me
What's love got to do, got to do with it
What's love but a second hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken?
I've been taking on a new direction
But I have to say

I've been thinking about my own protection
It scares me to feel this way
What's love got to do, got to do with it
What's love but a second hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken?
What's love got to do, got to do with it
What's love but a sweet old fashioned notion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken?
What's love got to do, got to do with it
What's love but a second hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken?
What's love got to do, got to do with it
What's love but a second hand emotion
