

You Lost Me (David Letterman Show)

Christina Aguilera

I am done
Smoking gun
We've lost it all
The love is goneShe has won
Now its no fun
We've lost it all
The love is goneAnd we had magic
And this is tragic
You couldn't keep your hands to yourselfI feel like our world's been infected,
And somehow you left me neglected
We've found our life's been changed
Babe, you lost meAnd though we tried
Oh how we cried
We lost ourselves
The love has diedAnd though we tried
You can't deny
We're left as shells
We lost the fightAnd we had magic
And this is tragic
You couldn't keep your hands to yourselfOh, I feel like our world's been infected
And somehow you left me neglected
We've found our life's been changed
'Cause babe, you lost meNow I know you're sorry
And we were sweet
But you chose lust when you deceived me
And you'll regret it, but it's too late
How can I ever trust you again?I feel like our world's been infected,
And somehow you left me neglected
We've found our life's been changed
Oh babe, you lost me
