I Got Shit

Pearl Jam

My lips are shakin'
My nails are bit off
It's been a month since I've heard myself talk
Only advantage this life's got on me
Picture a cup in the middle of the seaAnd I fought back in my mind
Never lets me be right...
I got memories, I got shit
So much it don't show...Oh, I walked the line...
When you held me in at night
Oh, I walked the line...
When you held my hand and i...On empty shells seem so easy to crack
Got all these questions
Don't know who I could even ask
So I'll just lie down and wait for the dream
Where I'm not ugly and you're lookin' at meAnd I'll stay in bed...
Oh, little I've seen there
If just once I could be loved...
Oh, I'd stare back at meOh, I walked the line...
When you held me in at night
Oh, I walked the line...
When you held my hand and i
Oh, I walked the line...
When you held me close at night
Oh, I paid the price...
Never held you in your eyes
