

# Dirty Punk

## The Cootees

I am a punk, I'm in a punk band  
When I eat breakfast, I eat the punk bread  
I go to school, my friends are punks too  
We go to punk shows, we do what punks do I am a dirty punk I look  
And smell like junk and I'm a punk I go to work, work at a punk store  
Live in apartments, sleep on the punk floor  
I am a punk, I'm in a punk band  
When I eat breakfast, I eat the punk bread
