

# Come Into My Arms (Johnny Budz Mixshow Edit)

Judy Torres

The other night when we kissed  
You told me I was yours forever  
But when I woke up the next morning, you were gone  
Come back baby, come into my arms You, you showed me how love could be  
Just show me how much you need  
You've always been by my side  
Oh, baby that's no lie 'Cause I, I've always been true to you  
I've always loved one, that's true  
Oh baby, can't you see that it's you  
You know that I love you so Come into my arms baby, I know how you feel  
Come into my arms baby, this love for you is real  
I've always been too much for you it burns inside  
To wake up in the morning and you're not by my side Come into my arms baby, I know how you feel  
Come into my arms baby, this love for you is real  
I've always been too much for you it burns inside  
To wake up in the morning and you're not by my side You, you shared your thoughts with me  
You shared your secrecies  
And oh, how that makes me feel
