White god

BY

ELI-J

Verse 1:

It's a long way from life to death  
But some people make it shorter  
And as they go from Life to death  
We go from death to Life  
We set the pace for a greater race

Into the next phase

Welcome to our Base

And If you're afraid

Cos' I have a different face

See our World is beyond Space

Chorus:

Cos' G O D's not just a word

The earth is not just a world

Superman's not just a man

The Bible too's not just a book

I am a god with the strong G

And I am White god

Its bound in Heaven and on Earth

I'm not known as Him

Cos' I am Him

Verse 2:

Are u sick? Oh my dear!

I'm sorry I don't have tears in my  
eyes

Don't you know that Christ died and  
rose

I can't believe you think you are  
Sick

Some people think that all they  
learn't in school

Can be used to face challenges

I know when I come

They will fall down flat

I don't have to go to school for  
that

[Repeat chorus- modulate]  
G O D's not just a word  
The earth is not a world  
Superman's not just a man  
The bible too's not just a book  
I am the Son of the Mighty one  
The Great I am that I am  
It's bound in Heaven and on Earth  
I'm not known as Him  
Cos' I am Him x2  
THE END
