

# Sweet Sweet Life

## John Denver

Sweet, sweet life  
I'm living to-day  
Dont bring me down  
Don't go away  
Give me just one more chance  
To make you want to stay

Yeah! Sweet, sweet, sweet life  
I'm living, I'm living today  
Dont bring me down,  
Don't go away  
Don't go away  
Please don't go away
