Stereolab

Though this world's essentially
An absurd place to be living in
It doesn't call for bubble withdrawalI've been told it's a fact of life
Men have to kill one another
Well, I say there are still things worth fighting forLa resistance!Though this world's essentially
An absurd place to be living in
It doesn't call for bubble withdrawalIt said 'Human existence is pointless'
As acts of rebellious solidarity
Can bring sense in this worldLa resistance!
Life is so hard
La resistance!Though this world's essentially
An absurd place to be living in
It doesn't call for bubble withdrawalIt said 'Human existence is pointless'
As acts of rebellious solidarity
Can bring sense in this worldLa resistance!
Life is so hard
La resistance!
