

Dust of the Dirty Rambler

Valerie June

Dust in the dark and I'm dirty rambling
I don't give a care, give a care bout you man
I'm a lost soul and I'm lonely thinking
I can hold the key to heaven in may

I was losing flight like an angel falling
I can hear a voice it's the devil calling
I will not be moved like a tree
planted by the potters and I...

still I shall not be
I shall not be moved
and I shall not be
I shall not be moved just like a tree
planted by the potters
what do they do

had a man who claimed that he loved me dearly
had a man who claimed that he wanna be near me
I been looking for all the kindest strangers
I been looking for all the sweetest dangers

still I shall not be
I shall not be blue
I shall not be
I shall not be blue
just like the waves
rolling on the waters
waters they heave

Transcribed to as close as I can make out from the Live KEXP performance
