

# Twenty Eight (WTCHDCTR Remix)

## The Weeknd

This house is not a home to you  
But you decide to go ahead and lay down, lay down  
There are no words to describe the depth of your indifference  
Cause I see you're here to stay  
Should of known to pick my fate I'm so wrong, I'm so wrong  
(To let you in my)  
To let you in my home  
(Now you know where I sleep)  
Now you know where I sleep  
(Never felt so damn weak) Hey there lonely girl  
Did you have to tell your friends  
About the way I got you screaming my name  
Did you have to tell the world  
Now your girls all wanna fuck  
Girl you could've been the one  
Now gotta change my number twice a month  
When you could have simply kept it on the down low I'm so wrong, I'm so wrong  
(To let you in my)  
To let you in my home  
(Now you know where I sleep)  
Now you know where I sleep  
(Never felt so damn weak) Baby if I knew you'd be living in my sheets  
I wouldn't have shown you any love  
I would have left you in the club  
You said you don't belong  
You keep saying there's no one  
And there's no where to go  
But who keeps calling on your phone?  
I'm so wrong, I'm so wrong, I'm so wrong I'm so wrong, I'm so wrong  
(To let you in my)  
To let you in my home  
(Now you know where I sleep)  
Now you know where I sleep  
(Never felt so damn weak) I'm so wrong, I'm so wrong  
(To let you in my)  
To let you in my home  
(Now you know where I sleep)  
Now you know where I sleep  
(Never felt so damn weak)

Baby ooh, ay
