

Love is Alive

The Judds

Love ain't a candle
It doesn't burn for one night
And need the dark to shine
Love is alive And love ain't just a word
In every dictionary
With no where defined
Love is a man and hes mine[Chorus]
Love is alive
And at our breakfast table
Everyday of the week
Love is alive
And it grows everyday and night
Even in our sleep
Love is alive
And its made a happy woman out of me
Oh, love is alive
And here by me Love ain't just a mood
A distant far away dream
That needs the night to rise
Love is alive
And love ain't just a song
Sweet words of music
To go dancin' by
Love is a man and hes mine[Chorus] Love is alive, here by me
