

Mosquito

Beau

When you smile
My stomach swells up
Filling with a heavy weight
When you are there
I am unaware i
Lose my place
While im here i will try so hard
Not to live in fear
If you're still standing in the end
Will you please, please, please
Hold my hand
You know i really don't
Want to
Talk about my
Problems
I just really want
To embrace the outcomes
I crushed a mosquito
And you know
What was fucked up
The bug was
Filled with someones diseased
blooddrops
ah ha ha ha ha a ha

-ll-

Give me time so i can
Learn to shelter its lies
Before i corrupt this nest
Of foolish clowns
Tie me up
Tie me up
You know i relly dont
Want to
Talk about my
Problems
I just really want
to embrace the outcomes
I crushed a mosquito
and you know what was fucked up

The bug was filled with
someone's diseased
blooddrops
