

Until You're Mine

Demi Lovato

My state of mind
Has finally got the best of me
I need you next to meI'll try to find
A way that I can get to you
Just wanna get to youThe world I see is perfect now
You're all around
With you, I can breatheUntil you're mine, I have to find
A way to fill this hole inside
I can't survive
Without you here by my sideUntil you're mine, not gonna be
Even close to complete
I won't rest until you're mine
MineAlone inside
I can only hear your voice
Ringing through the noiseI can't find my mind
Keeps on coming back to you
Always back to youWanted something out of reach
It's killing me, you're all I seeUntil you're mine, I have to find
A way to fill this hole inside
I can't survive
Without you here by my sideUntil you're mine, not gonna be
Even close to complete
I won't rest until you're mine
MineJust stop wondering
If we were meant to be
Forget about fate
And just hold meI'm ready to begin
The waiting has to end
Right now, today
I've got to find a way, yeahMine, until you're mine
Until you're mine, I have to find
A way to fill this hole inside
I can't survive
Without you here by my sideUntil you're mine, not gonna be
Even close to complete
I won't rest until you're mineMy state of mind
Has finally got the best of me
I need you next to me
