Let's Bounce

Christy Carlson Romano

Waiting for the start of something
Before we go out of our minds
All of this doing nothing
Is taking up too much time
Gotta be something better
Something more that we can do
Time to get the party started
Everybody's there too
You've got the wheels, I've got the feels
We've got whatever it takes
She's got the groove, he's got the moves
Everybody's ready to play
So let's bounce into something new
Let's bounce 'cause we all want to
Let's shout, gonna have some fun
Everybody everyone
Let's bounce, get the party on
Let's bounce, gonna dance till dawn
Let's shout, gonna all tone down
Everybody everywhere
Let's bounce baby
Time for you to let your hair down
Time to bump up the shelf
Everybody is going crazy
Working just the way we planned
You've got the style, I've got the wild
We've got the place to be

She's got the moves, he's got the groove
Everybody's ready to play
So let's bounce into something new
Let's bounce 'cause we all want to
Let's shout, gonna have some fun
Everybody everyone
Let's bounce, get the party on
Let's bounce, gonna dance till dawn
Let's shout, gonna all tone down
Everybody everywhere
Big Apple to L.A.

All around the world the same
You know we've gotta make it loud
I'm ready baby, let's bounce
So let's bounce into something new
Let's bounce 'cause we all want to
Let's shout, gonna have some fun
Everybody everyone
Let's bounce, get the party on
Let's bounce, gonna dance till dawn
Let's shout, gonna all tone down
Everybody everywhere
So let's bounce
Let's bounce
Let's shout
Everybody everywhere
