Your Koolest Smile

Flunk

Your koolest smile
Brings me into koolest moodsYour koolest smile
Brings me into koolest moodsI dont know what to say
Youre tricking me
Into something crazy
I can seeI dont want your sympathy
Or your games
They make me feel so insaneYour koolest smile
Brings me into koolest moodsI dont want your sympathy
Or your gamesI dont want your sympathy
Or your gamesYour koolest smile
Brings me into koolest moodsI dont know what to say
Youre tricking me
Into something crazy
I can seeI dont want your sympathy
Or your games
They make me feel so
So insaneI dont want your sympathy
Or your gamesI dont want your sympathy
Or your gamesThey make me feel insane
