

Moving On

Sam Ock

I wanna have
eternity's rode
in the
depth of me
in the map to my soul
And I
wanna know
How to deal with this heart
That is
Stuck in idling
It needs a new start
I long for the better life
I long for unending time
I long to know love and the way it was meant to be.
I wanna be free
I wanna sing
A beautiful song
I wanna be
Where I belong
So where do I go from here
Where can I go from here
But on Can I say I get a little discouraged
To see the better looking souls moving on
Can I say I wanna get a bigger picture
Of more than this little fickle heart longs
The only way to grow is looking forward
The only way to know is looking past
All the things that wanna keep me in the same place
All the things that wanna make me step back
I've gotta cast all the lies aside
I've gotta kill all the shame and pride
I've gotta open this stone.cold heart
And let the devinity work and start
Cause when I look around and see the Times change
I get a little scared that I won't be the same
But I guess that's a good thing
Cause I'm loving everyday to let my soul sing
I wanna sing
A beautiful song

I wanna be
Where I belong
So where do I go from here
Where can I go from here
But on
I wanna sing
A beautiful song
I wanna be
Where I belong
So where do I go from here
Where can I go from here
But on
I wanna sing
A beautiful song
I wanna be
Where I belong
So where do I go from here
Where can I go from here
But on
I wanna sing
A beautiful song
I wanna be
Where I belong
So where do I go from here
Where can I go from here
But on
I'm moving on
