

Fire Off Your Guns (Acoustic)

Buckcherry

Worked so hard to find my way
Face my fears and enemies
Lost some friends but nothing gets me down
Learned a lot from all my tears
Fought the good fight all these years
You should know that nothing stops me now
Fire off your guns
And take your chances
Make it happen
'Cause it won't take me but one shot
And then you're down
Fire off your guns
You made a choice
I know you're broken
I'll be nice and give you four counts
And turn around
(4, 3, 2, 1) I hold my future in my hands
It's not a rule, it's what I demand
I won't give up and I won't be turned around
The time has come to make a stand
And sacrifice all that you have
Victorious or buried in the ground
Fire off your guns
And take your chances
Make it happen
'Cause it won't take me but one shot
And you're down
(4, 3, 2, 1)
Fire off your guns
You made a choice
I know you're broken
I'll be nice and give you four counts
And turn around
(4, 3, 2, 1) 4, 3, 2, 1
4, 3, 2, 1
4, 3, 2, 1
4, 3, 2, 1 Fire off your guns
Fire off your guns Fire off your guns
And take your chances
Make it happen
'Cause it won't take me but one shot

And you're down
(4, 3, 2, 1)
Fire off your guns
You made a choice
I know you're broken
I'll be nice and give you four counts
And turn around
(4, 3, 2, 1)
Fire off your guns
And take your chances
Make it happen
'Cause it won't take me but one shot
And you're down
(4, 3, 2, 1)
Fire off your guns
You made a choice
I know you're broken
I'll be nice and give you four counts
And turn around
4, 3, 2, 1
4, 3, 2, 1
4, 3, 2, 1
