## Beat Happening

Nancy sin won't you let me in

Good girl

Bad girl

Good girl

Bad girl

Good bad girl

There is something i must do

Nancy sin just do it again

Good girl

Bad girl

Good girl

Bad girl

Good girl

Won't you be my mentor tonight?

Take some of these

Take some of these

Fill my mouth with hot sand

Kiss you and meet my brand

Good girl

Bad girl

Nancy sin where have you been?

Good girl

Bad girl

Good girl

Bad girl

Good girl

Bad girl

Just do it again
